Jeanne A. Gonnelli

The effort, time, and organization of a senior class toward its graduation is a work solely of dedication to that class. We, the class of '74, believe that our advisor, Miss Jean Gonnelli, has given of herself to that end unselfishly and enthusiastically.

We believe that Miss Gonnelli is responsible for reawakening in our school spirit by her active participation and encouragement in fund raising, planning of activities, and warm interest and concern for each individual's well being. She has never failed us in our attempts to make this graduation particularly memorable. Her effervescent personality has evolved from us a willingness to return her enthusiasm.

Therefore, the class of '74 dedicates this yearbook to Miss Gonnelli as a gesture of our profound gratitude.

Thank you Miss Gonnelli

# Football

Nineteen hundred and seventy four has been one of the greatest years East Side has had for football in a long time. Many people have made this year possible, especially our fantastic football team. Our team has brought championship to East Side. The team could not have won the city championship without the supervision and guidance of coaches Greg Notte, Pete Rubas, Alan Fields, and Bob Wujciak.

Our boys fought for us, the students of East Side. They were very proud to represent our school in a very tough league. They were willing to risk injury, to make sacrifices, and to face competition which was out "to kill" them. They're one helluva team.

Our team captains, Tony Ray and Len Davis, two of our most valuable players, worked vigorously with the team to make them the best in the city. Pete DiSanti, a third captain, was injured and couldn't play for the season. Our captains as well as their teammates and coaches made East Side High the No. "1" team in the city. All of our senior players will remember 1974 as one of the best years of their life.

East Side's Wrestling team has always been a powerful, effective group and this year was no exception.

Ron Cardosa coached a great team, led by two fine seniors, Captain Albert Cicalese, undefeated in city league competition, and Co-Captain George "Boogie" Frankiewicz. Other seniors who gave the team many exciting moments this year were Fernando Neto, Joe Martins, and Ralph Ocasio.

Becoming a good East Side wrestler took a great deal of time, determination, effort, and desire. They proved themselves time and again by coming out winners.

### BASKETBALL SCHEDULE (73-74)

East Side's basketball team came through with another fine effort in 1974. Through the years East Side has been tough to beat and things were no different this year. Although the team suffered a few crucial losses, they completed their campaign in style. Coach Sidney Rothbard did an excellent job in keeping the East Side winning tradition in tact.

The Soccer Team had a very satisfying season loaded with underclassmen, and not a single senior. They still managed to capture the coveted City League title with a record of 6-0. With such a young team, a winning record seems a sure thing for next year.

East Sides swimming team of 1974 added another city championship to the long list of past championships.

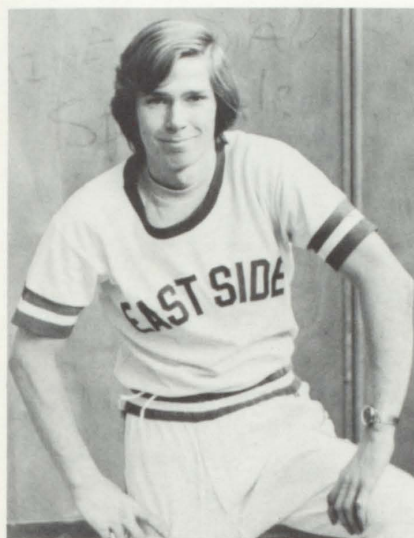

Coach Larry Markowitz put together a team that proved to be unbeatable and in the city championship meet, East Side literally crushed every other school in the city by winning almost every event, and because the team consists of many non-seniors, the future years look bright.
